

JUNIOR COACHING

Play, Learn and Compete

4 to 8 year olds: Red

Quantity of play is crucial for development at this age so our Reds can play in 2 sessions per week so pick the times that suit, let us know and you're in! We have Red groups on Monday 3:30-4:30pm, Thursday 4:00-5:00pm, Friday 4:00-5:00pm and Saturday 9:00-10:00am. £40 per month.

8-10 year olds: Orange

At this age the players are moving into matchplay and tactical development so they can attend as many sessions as they want each week. We have Orange groups on Wednesday 4:00-5:00pm, Thursday 5:00-6:00pm, Friday 5:00-6:00pm and Saturday 10:00-11:00am. £40 per month.

10-11 year olds: Green

Green ball is on a full size court and players are encouraged to compete so all juniors are given the chance to enter our online box leagues through the Scala app. Players get one group per week for £40 per month and can add another group for an extra £10 per month. We have Green groups on Wednesday 5:00-6:00pm and Saturday 11:00-12:00pm

11+ year olds: Yellow

Yellow ball players are moving into the senior section of the club competitions as well as being entered into the Scala app box leagues that we organise. Players get one group per week for £40 per month and can add another group for an extra £10 per month. We have Yellow groups on Monday 6:00-7:00pm, Wednesday 6:00-7:00pm, Thursday 6:00-7:00pm, Saturday 12:00-1:00 (11-14yrs) and 1:00-2:00 (14+ yrs)

All of our junior players learn in a fun, high intensity and structured coaching environment. The Boom Coaching model is that you make an easy monthly payment with most parents using standing order. If you want to stop we just need a months notice. Every junior in the coaching programme needs to join Redhill Tennis Club which is a one off yearly fee of between £20-40. Our coaching programme stops for a small break between Christmas and New Year otherwise we're always on court whatever the weather! If you can't make your session for any reason you can come to another one to make up.

The first month is free and if you're recommended by another parent in the programme they get £40 of vouchers as well!
