

School Holidays

@ Redhill Tennis Club

MAKE FRIENDS · GET OFF SCREENS · HIT BALLS · HAVE FUN

9:15am-1:15pm. No experience necessary best for kids who've started primary school up to first or second year senior school. Boom Tennis are a not for profit company meaning any money in goes towards making prices affordable and getting more people to hit fuzzy balls.

A Day in the Life of Holiday Camps

We kick off with a lively group warm-up, then split into groups by age and experience — though we know some will want to stick with their mates. We love seeing lots of balls hit and kids making new best friends. Next is the Shot of the Day, teaching technique in a fun way, think of it as chocolate covered learning. Team games using our new skills follow then it's a fun easy competition.

Just so you know...we take a break and a lunch break so bring provisions, we won't cancel due to weather, we can provide rackets. Kids don't have to be members of the club to attend.
