ADVANCED PLAYER DEVELOPMENT PROGRAMME; Ages 10-16

Our APDP is a pathway for players who are obsessed with Tennis. An elite player is a true enthusiast, someone who possesses an unwavering passion for the game, yearns for competition, proactively seeks extra practice beyond coaching sessions, displays an insatiable drive, finds joy in the journey of self-improvement, embraces setbacks as stepping stones to success and exudes a natural flair for tennis. The Boom Tennis APDP has taken 2 players to US College, 2 internationally, plenty to county standard and produced many club champions. Players have to compete and practice outside of lessons if they're involved in these groups.
